What are your areas of professional expertise?

---

How do you feel you could best help a WIA member improve his/her résumé or cover letter?

---

Have you critiqued résumés or cover letters in the past? If yes, in what organization and for how long? What goals did you assist résumé/cover letter writers in achieving?

---

What mode(s) of communication would you prefer to use with a résumé/cover letter writer (face-to-face meetings, phone calls, email)? What is your geographic location preference for any face-to-face meetings?
