WOMEN IN AEROSPACE (WIA) FACT SHEET (Current as of January 20, 2022)

What is WIA?

For over 35 years, Women in Aerospace (WIA) has been dedicated to expanding women's opportunities for leadership and increasing their visibility in the aerospace community, both in the US and internationally.

In October 2009, the WIA Foundation was incorporated for the express purpose of providing financial assistance in the form of scholarships to eligible college seniors or rising juniors, beginning in the 2010-2011 academic year.

Our membership, consisting of more than 2,000 individual members, representing 250 companies, and including more than 70 corporate members consisting of both **women and men**, share an interest in a broad spectrum of aerospace issues.

What are the Benefits of Membership?

- *Networking:* Formal and informal discussions and interaction with leading aerospace professionals from government, academia and the private sector.
- *Programming:* Access to and participation in high-quality programs and events featuring topics of critical importance to the aerospace industry.
- *Professional Development:* Practical, substantive guidance and insight coupled with direct contact with leading industry players to facilitate professional growth and development at all stages of a career.
- *Recognition of Technical and Community Accomplishments:* A forum to recognize and highlight outstanding women in the aerospace industry for their leadership and achievement.

What are the Benefits of Corporate Membership?

- *Enhanced Visibility:* Clear recognition of your company as a leading advocate of expanding women's opportunities for leadership and increasing their visibility in the aerospace community.
- *Diversity and Corporate Social Responsibility:* Supplemental career development resources for your firm's employees, enhancing workplace diversity and the extracurricular dimension of the aerospace industry.
- *Marketing and Business Development:* Numerous forums for connecting with senior US government decision-makers, industry officials, and academic thought-leaders in the aerospace community, and the ability to leverage those interactions for business and knowledge generation activities for your firm.
- *Public Relations:* Corporate names and logos are featured on our website and outreach materials; corporate support is noted at our many high-profile events, highlighting your organization's generous sponsorship of WIA's missions and goals.
- *Early Access:* First opportunity to engage and sponsor various WIA programs.
